

Drawings Status

Replacement drawing for Figure 11 is properly labeled.

REMARKS

Claims 1, 3 – 9, and 11 - 21 are currently pending in this application.

Reply to Notice of Non-Compliant Amendment

A notice of non-compliant amendment was sent out on December 7, 2006 stating that in claims 1, 8, 9 and 19, the identifier amended was not a proper identifier. It is noted that claims 1, 8 and 19 were not amended and the identifier Previously presented is correct. The identifier for claim 9 was corrected to Currently Amended.

Drawing Objections

A replacement drawing for Figure 11 is provided to add the correct label for that Figure.

Claim Objections

Claim 9 has been amended to correct typographical errors. No substantial change has been made.

Claims 1, 3- 8 and 19 – 21 were indicated as allowable if the corrections to the drawings and claim 9 were made as suggested. Those changes have been made, so the pending claims should be in condition for allowance. The Examiner is respectfully requested to telephone the undersigned if further discussions would advance the prosecution of this application.

Respectfully submitted,
